This application is required to establish, operate, or maintain an Automobile Graveyard, Junkyard, or Automotive Recycling Business at the following location and in accordance with the provisions of Title 30-A MRSA, §3751-3760

Submission of an application does not guarantee your yard will be approved. Applications that are missing required submission materials will not be presented to the Board of Selectmen. It is the applicant's responsibility to provide all of the required submission materials.

Permits are approved based on the provided information on this application and submitted plans and sitemaps. The applicant has the burden of proving they have both the legal right to apply for this permit and that they have provided accurate measurements based on the legal boundaries of the property. Approval of this application in no way relieves the applicant of this burden nor does it constitute a resolution in favor of the applicant of any issues regarding property boundaries, ownership or similar title issues. The permit holder is advised to resolve any such issues before beginning any project.

I have read and understand the above paragraph. To the best of my knowledge, all information submitted on this application is true and correct. I further understand that it is my responsibility to know and comply with all local ordinances and state statutes.

SITE MAP

APPLICATION GUIDE

Before you submit your project, did you provide:

- Project narrative outlining your proposed business or use
- Detailed sitemap including:
 - Lot lines with dimensions in feet
 - Locations of all driveways, roads, or rights of way
 - Locations of all wells, septic systems or sewer lines including those that serve the property
 - Distance in feet to all shorelines, wetlands, shoreland zones, streams, or brooks
 - Any existing structures, dwellings, out buildings, decks, or exterior stairs including dimensions
 - Proposed structures, additions, or changes including dimensions
 - Fluid storage areas
 - Vehicle, parts, and/or junk locations
 - Locations of repair facilities (if applying for automotive recycling business)

Does your business meet the following requirements?

- More than 300 feet from the nearest public park, playground, school, church or cemetery
- More than 300 feet from the nearest public or private water source (excluding the properties water)
- No junk, parts, or cars are visible from the road
- All fluids handled and stored properly
- Outside 100ft of the highwater line of any shoreland, wetland or body of water
- All vehicles stored greater than 20ft from any lot line

If you are not the owner of the property, did you provide:

- Letter or statement from current owner giving approval for your project or proposed use
- Lease agreement (if applicable)

If you have any questions, please contact the Town Code Enforcement Officer at (207) 273-2421.
