The Town Office will be closed Monday April 15, 2019, Patriots Day.

The Town Clerk informed me that RSU 40 submitted the School Warrant to be signed by the Board of Selectmen on the March 24th meeting. Brent Pratt, Richard Butler, and David Starr have taken out and returned papers for Selectmen Seat #5. Their names will be on the Town's ballot in June.

The Fire Department helped assist the Union Town Garage fire. This was a very unfortunate event. I understand there was substantial damage done to Union's garage and trucks but no one was hurt.

Public Works will be on 10 hour day shifts starting next week. They will be taking down the Heavy Load Weight signs on Thursday 4/18/19, **weather permitting**. This is a good sign, spring is around the corner.

I attended a Tax Lien class on Thursday. Good News, we are doing our notices correct! A new law was passed that creates additional wording that needs to be put in the 30 day notice and that was the main reason why I went to make sure we get it correct.

I attended the Autism Awareness Event on Saturday that was held at The Pitch. This event is to bring awareness and to educate the public on Autism Spectrum Disorder. This is the 4th year that the event has been held. There was a silent auction held, bake sale and refreshments for sale to raise money for the Autism organizations. There was also sensory bins, bouncy houses, and make and take arts and crafts for the children. Doug Gammon and Paige Gammon were there representing the Town of Warren with one of the fire trucks. What a great event!
